Welcome to Saramanda....

Spacious and luxurious, Saramanda is an elegant, five bedroom villa for private rental set in beautifully landscaped grounds on the exclusive Sandy Lane estate in St James, Barbados.

Saramanda gives you the opportunity to enjoy a taste of Caribbean living with the freedom of a home away from home. Whether vacationing with family or friends, each day is your own.

Close to Holetown and Sandy Lane beach, with golf and tennis just a short walk away, Saramanda allows you to set the pace for your vacation; whether you seek to switch on to island time or feeling for a little adventure, your villa manager can help you to make this a memorable holiday experience.

Accommodation:

There are five bedroom suites across two floors, each with their own bathroom, walk-in closets, cable TV and safes.

The two upstairs master suites feature king-size beds and private balconies that overlook the pool deck and beautifully landscaped gardens.

Three additional bedroom suites on the ground floor feature twin beds that can be pushed together or separated as needed.

The upstairs master suites include both a tub and a shower, while the downstairs bedrooms suites have showers only.

Living & Dining:

Designed around a central, airy atrium seamlessly blends indoor and outdoor living, Saramanda has plenty of space for guests to simply relax and unwind; all of the living and dining rooms open out to the pool and garden.

The large indoor living room features oversized comfortable sofas and French doors that open out on to a covered terrace with outdoor seating and an informal dining area. A laid-back media room features wide screen HDTV, cable and DVD and also opens out to the pool deck.

Inside, the elegant dining room features a large coral stone table where everyone can enjoy quality time together.

Your housekeeper/cook will create menus to suit whatever your heart desires, to specific dietary needs.

Outside:

With a large pool, lots of room to play and an extensive deck, there is plenty of space for everyone. You can choose to relax on island time, take a dip when you need to cool down or find a quiet spot in the shade to read a book and take lunch al fresco on the terrace.
